Reading Program 2024

Thank you for participating in the 2024 Summer Reading Program Bookmark Contest!

The rules are simple: Color in or create your very own bookmark that works within the theme "Summer Tales, Experiments And More!" STEAM stands for Science, Technology, Engineering, Art, and Math. You can use any one of the templates or try all of them to see which one you like the best! Please do not separate the bookmarks. We need this entire piece of paper intact for the information below and for copying purposes. Any inappropriate entries will not be considered. All entries must be turned into the Library by Tuesday, April 30th at 6:45 PM.

Voting for the contest will be from Wednesday, May 1st through Friday, May 31st.

All entries will be displayed in the lobby display case for the public to vote for their favorite!

There will be 1 winner from each category:

PreK - 3rd

4th - 7th

8th - 12th

Each of the 3 winners will earn an art set and have their entries duplicated and handed out during this year's Summer Reading Program!

Good luck and have fun!
